

STORYTELLING BASED ART WORKSHOPS & CONCERTS

SCHATZ BLACKROSE INTERNATIONAL STORYTELLING

A resounding success

Morgan's visit coincided with our school's International Day and World Book Day, so the stories suitably reflected an international flavor. Each presentation was different, and clearly much thought went into the preparation. There was very positive feedback from teachers and students, not least reflected in the webpages of individual classes. Morgan's inclusion of rhymes and songs, rhythm and music made the sessions not only enjoyable but also promoted the concept of oral storytelling.

CELEBRATE INTERNATIONALISM THROUGH ARTS

International storyteller, & author, Morgan Schatz Blackrose and Visual Artist, Roman W. Schatz create an exciting and unique blend of art and storytelling in their school concerts, workshops and residencies. Morgan offers four concerts per day, for ages 3-18. Residencies run for 4-10 days. Choices include:

My Book-

Stories of friendship and the creation of a Friendship Book. **ABCD:** Aboriginal Boomerang, Clapstick and Didgeridoo decoration and performance; **Fly With Me** - Folktales from around the world and the creation of textile-based sculptures. **Picture the Story:** Kamishibai & Scrollmaking of traditional stories.

Express Your Self - An exploration of Art as an International Language. Residencies are tailored to suit the individual needs of the school. All workshops are inclusive, celebrating cultural identity and diversity. The format includes storytelling concerts and art workshops culminating in both individual

and collective artworks and performances. Family accommodation is required for that period. Be it a 1 day visit or a 2 week residency, we will happily discuss how we can best assist you in creating a successful community arts event at your school.
