

## Music-Making, Movement and Live Language Workshop with Morgan Schatz Blackrose

Pictured are Clarence Valley NSW librarians with their babies at a Baby Bounce training workshop. Demonstration and participation are key components in teaching rhymes and songs to babies and their carers. Additional learning outcomes promoted in Baby Bounce sessions include: Music-Making, Modelling, Body Awareness, Receptive and Expressive Language Skills and the values of Co-operation, Trust and Intimacy.

Revise, expand and adapt your repertoire and presentations in this *Peep-bo* Workshop. Booklet with all workshop material is included. Suitable for both new and experienced presenters of Baby Bounce sessions for babies aged 0-2.
