

# StoryMusicARTfACTS

storytelling-based arts performances and projects for all students

*'Morgan's storytelling visit was a celebration of the diversity of world stories and also the connections between oral and written literature. Interspersing rhymes, songs and music with the stories not only created an enjoyable and unique listening experience for the children, it promoted active participation in her performances. There was very positive feedback from teachers and students and this was reflected in the children's questions and borrowing patterns.'*

## Programmes for K-I2

Australian-based storyteller, author and musician, Morgan Schatz Blackrose and Swiss Visual Artist Roman W. Schatz will be visiting International Schools in Switzerland during March/April 2017.

Roman and Morgan have collaborated on numerous storytelling-based arts projects in schools and communities throughout the world and tailor concerts workshops and programmes to the specific needs of each school. Whether it be to address specific units of enquiry in the PYP curriculum through the performance of world folktales or the creation of a school art installation, Morgan and Roman are happy to work with your school community to promote tolerance, multiple literacies and international mindedness through the arts.
